

GBDe Organization and Operational Structure

- ◆ The Overall chair is annually chosen amongst the Organizing Committee members
- ◆ Member companies / organizations with common visions can gather and organize an IG (Issue Group) for each issue
- ◆ IGs may make policies for solving the issues and generate recommendations or create new business models in their activity reports. Recommendations are publicly announced at GBDe meetings and other international conferences on behalf of GBDe
- ◆ IG can also be established for sharing knowledge/ideas or holding workshops on specific topics
